

Zoom Video & Audio settings for classrooms with Enhanced AV technology

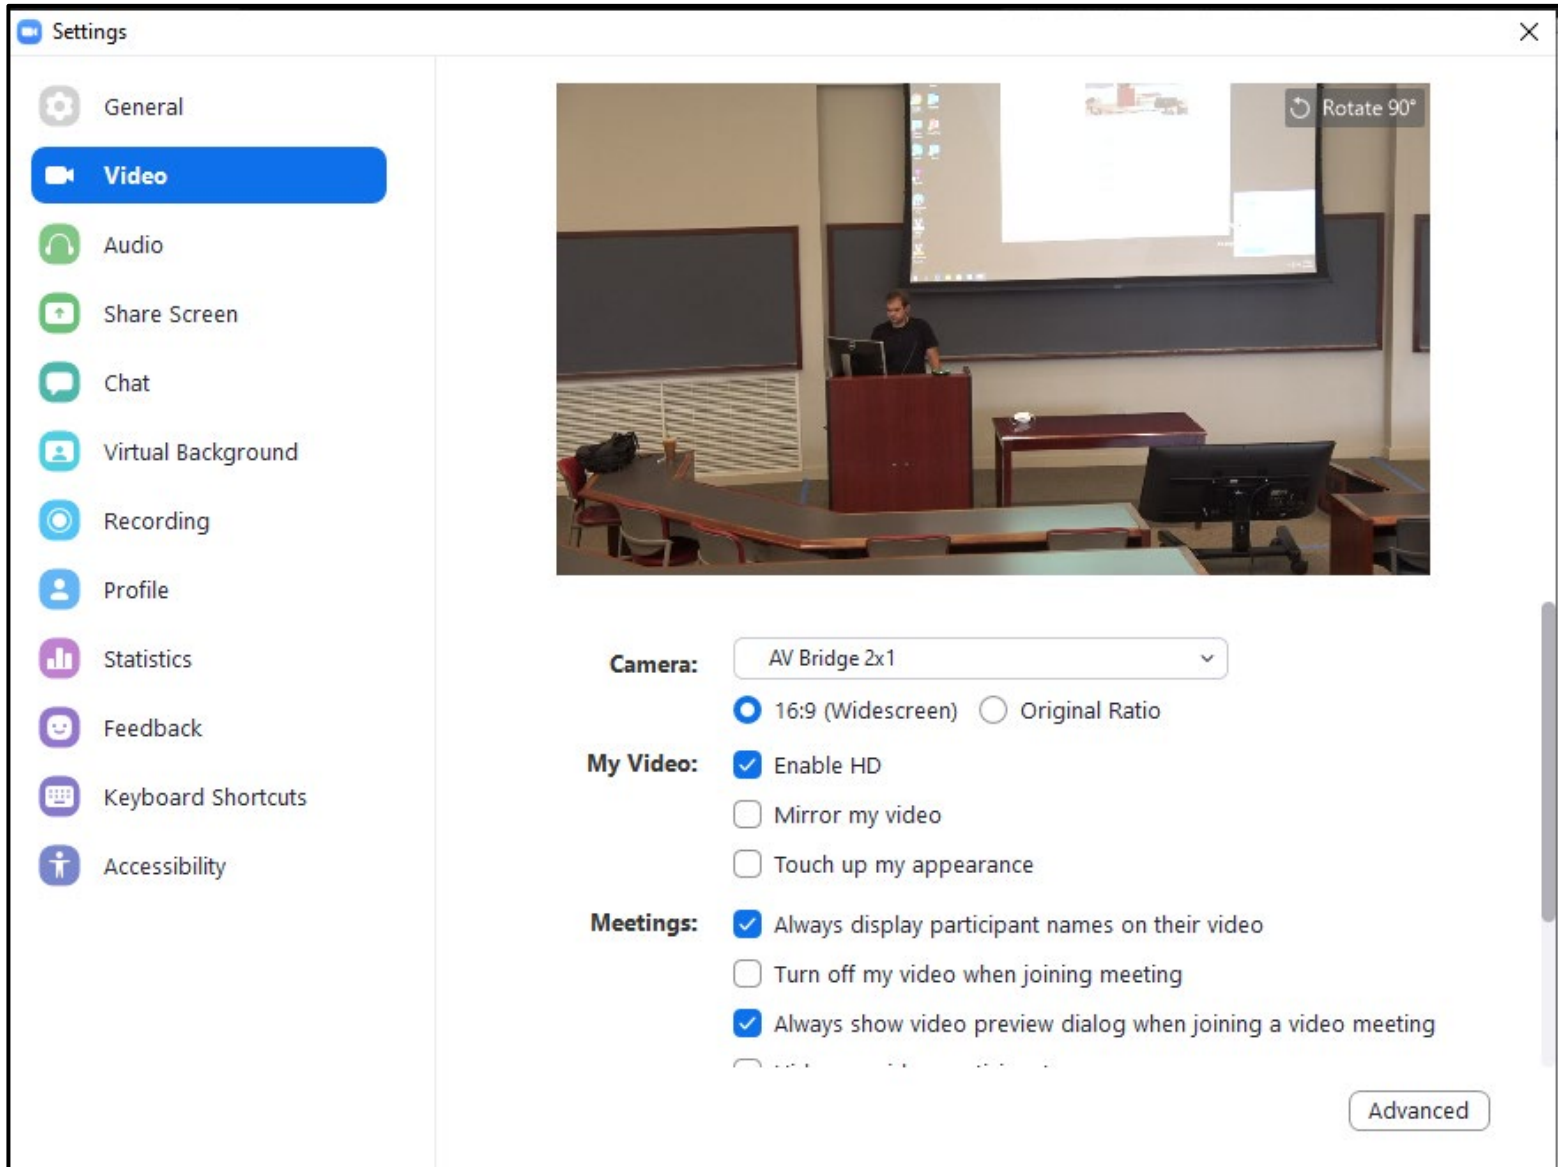

Speaker: Crestron (Intel Display Audio)

This is the classroom speaker output to hear the Zoom participants through classroom speaker system

Microphone: Echo Cancelling Speakerphone

Please Test Speaker and Test Mic to confirm

Zoom Video & Audio settings for classrooms with Enhanced AV technology

Camera: AV Bridge 2x1

My Video: Enable HD (Optional, will improve the video quality but may require more network bandwidth for Zoom participants)

Mirror my video - Uncheck, otherwise video will appear backwards on Zoom
