

Enrolling in

There are **2** ways to enroll: **using only your mobile device** or **using your mobile device and a computer**

Both ways start here!

- 1** Head over to it.vanderbilt.edu/mfa and click "Enroll Now"
- 2** Sign in and click "Start setup"
- 3** Select device type and follow the prompts
- 4** Install the Duo Mobile application
Hint: it looks like this: 
- 5** In your internet browser, click "I have Duo Mobile installed"

- 6** **If using your mobile device only:**
 - Click "Take me to Duo Mobile App"
 - You should see a code in your app
 - Go back to your browser

If using a mobile device & computer:

- Open the Duo Mobile application and scan the QR code

- 7** Click "Dismiss" and save your preferences
